2011 CALIFORNIA MANDATED REPORTER CURRICULUM
Train-the-Trainer Workshop
February 7, 2012, 9:45am- 2:30p.m.
Presenter: Dr. Jennifer Davis

This Train-the-Trainer workshop will unveil, for the Sierra-Sacramento region, the *new* statewide Mandated Reporter Training (MRT) curriculum, the result of several years of intensive development by Rady Children's Hospital, under the direction of the State DSS, Office of Child Abuse Prevention. Attendees will receive hands-on training to the new curriculum, receive the latest supporting materials, and engage experientially in preparation to provide MRT in their local communities.

Attendance: This is a "train-the-trainer" workshop to train participants who will return to their local communities to train others under the coordination of their local Child Abuse Prevention Council. *Contact your local CAPC to reserve your place to attend. There is no limit on how many potential trainers each CAPC may send to the workshop. A minimum of 2-5 trainers from each CAPC is strongly suggested.*

Location: The Child Abuse Prevention Council of Sacramento, 4700 Roseville Road, North Highlands, CA 95660

Cost: \$15 per person for lunch and facility costs. \$10 add'l for CEUs.
